Races will be from standing starts. Kart allocation will be at random.
- 2.3. For class entries over 35 Drivers
 - 2.3.1. Should a class' entries exceed 35 drivers, qualifying for that class will be split into two equal quantities at random and ran as two 15-minute sessions.

2.3.3. Grid positions for the finals will be determined by finishing positions in the prefinals, with the top 5 drivers of Prefinal B moving up to join Final A. The remainder of the drivers from Prefinal B will compete in Final B.

2.4. New for 2022 is the Rookie Cup. This will be awarded to the highest placed rookie at each round in their class. A rookie is classified as someone who has not raced in the KNE Hire Kart Championship in the previous 5 years. The driver will remain classified as a rookie for the full 2022 season. It is the driver's responsibility to notify KNE of rookie status.
